## British Toilet Association INNOVATION AWARDS

**Closing date for Nominations: Friday 29th August 2014**

The Awards will recognise innovation in three key areas of 'away from home' provision:

- **new products**
- **new services**
- **efficiency improvements**

The BTA wants to hear about innovation that really improves the use or provision of publicly accessible toilets. Anyone can nominate a provider or supplier or their own organisation or company by sending an email to [enquiries@britloos.co.uk](mailto:enquiries@britloos.co.uk) by close of business, **Friday 29<sup>th</sup> August 2014**. Nominations must include details of why the product, service or efficiency should be awarded a BTA Innovation Award. All nominations will be acknowledged.

A panel comprising members of the BTA Management Committee will judge each nomination and decide who will gain awards. There may be more than one award in each category, dependent on the number and quality of the nominations. The decisions of the judges will be final.

Each award winner will receive a trophy designed specifically for the BTA Innovation Awards and a framed BTA Innovation Award certificate.

**The awards will be announced and presented to the winners at our Conference & AGM in November**

Opportunities still exist to exhibit and display your products at the 2014 BTA Conference
